PRESIDENT: Senator Cullan, would you advance the bill now.

SENATOR CULLAN: Mr. President, members of the legislature, I move that LB 532 as amended be advanced to E & R for Engrossment.

PRESIDENT: All in favor say aye, contrary say nay. That bill is advanced. We go on to 539.

CLERK: Mr. President Senator Dworak has some lengthy amendments to 273 that he wishes to have printed in the Journal.

PRESIDENT: Senator Warner, for what reason do you ask recognition?

SENATOR WARNER: Mr. President, I should have before, in that amendment that you just adopted, if you need action to clarify it, but there is a wrong figure in that, on line 4 where it reads a \$1,053,641 do you have that Vince? Vince, the amendment that we just adopted, Senator Cullan's, where it says line four, a \$1,053,641.

CLERK: Well I don't.....the amendment that we adopted by Senator Cullan simply incorporates the Koch amendment.

SENATOR WARNER: In the Koch amendment if you have that. There is a simple addition error that should be corrected, that is all. I can send a motion up if you like. That amendment was prepared, I don't know where but they have an addition error in it. It should read \$1,053,677.

CLERK: The E & R chairman assures me that E & R will correct it.

SENATOR WARNER: Okay, that is fine. It is the total of the subparts and it isn't added up correct. There is no change what-so-ever. But, that, E & R can take care of it.

CLERK: Mr. President, there are three amendments offered by Senator Dworak to 273. It will be inserted in the Journal.

PRESIDENT: 273?

CLERK: Yes.

PRESIDENT: What did we do with 539?
